The Future of the SBSS

→ *Logistics Information Systems*

- **Our migration strategy has been changed**
- **An Enterprise Solution between SSG and AFMC is our new path**
- **How does this new path affect the sustainment of our legacy system (SBSS)?**
 - **Only current requirements identified as having an operational impact will be worked during Fiscal Years 03 & 04**
 - **Any new requirements will require Air Staff coordination and approval**
